

Jitka's Prague Restaurant & Pub Advisor

Restaurants, Wine Restaurants and Pubs – Most have a garden or at least outdoor seating

Instructions for "getting there" assume you're starting out at Metro Vyšehrad – the metro stop nearest to Corinthia Towers. Note that Prague is not "that" big, you can ignore the door-to-door public transport instructions and walk part or all of the way to many of the places on this list using your map.
