

All of our vessels are docked at 207 Queens Quay West (at the foot of York St).

**By TTC:** By TTC - the better way - a short walk south from Union Station along York Street or take the 509 Harbourfront or 510 Spadina Streetcar from Union to Harbourfront Centre (second stop). We are located on the water right by the Harbourfront stop.

**By Automobile:**

**East Bound (coming from the west):** From the Gardiner Expressway, take the York, Bay, Yonge (YBY) exit. At the bottom of the ramp, turn right (south) onto Simcoe. From Lakeshore Blvd, turn right on York Street, and right onto Queens Quay West. There are 2 Paid Parking lots with varying daily rates:

- a) Standard Parking, 200 Queens Quay: Daily rates vary.
- b) Harbourfront Parking, <http://www.harbourfrontcentre.com/parking/index.cfm>

**West Bound (coming from the east):** From Lakeshore Blvd, turn left (south) on to York St. At Queens Quay, turn right (west) onto Queens Quay.

- a) Standard Parking, 200 Queens Quay
- b) Harbourfront Parking, <http://www.harbourfrontcentre.com/parking/index.cfm>

**From Downtown:** The most efficient route to parking at the waterfront is south bound along Simcoe, York, Bay or Yonge until you reach 207 Queens Quay West. Parking is at a premium in the waterfront area.
