

## Hotel reservation and Airport Travel

### *Hotel reservation*

As indicated the SSSR Conference will be held in the Halifax Marriott Harbourfront hotel. The link on our webpage can be used only to reserve rooms with special rates at the Marriott for July 12, 13, 14, 15. So if you stay in the Marriott these days the special conference rate will apply.

The Marriott has no traditional or standard rooms with special rates left for July 11 but only more expensive upgraded rooms. If anyone wants to book an upgraded room at the Marriott for the day(s) leading up to the conference, in combination with the conference rate for the conference dates, they will have to call the hotel directly to do this.

Of course it is also possible to book another hotel for the days leading up to the conference. Therefore, we offer the following information:

1. Delta Barrington (four stars): This hotel is connected to the conference hotel via an overhead pedway:

2. The Halifax Westin (four stars): This hotel is located at the opposite end of the Halifax Waterfront from the conference hotel, but is only about a 15 minute walk along the waterfront boardwalk. <http://www.thewestinnovascotian.com/>
3. The Lord Nelson Hotel (four stars): About a 20-30 minute walk to the conference hotel, across the street from the Halifax Public Gardens: <http://lordnelsonhotel.ca/>
4. The Prince George Hotel (four stars): Located in the heart of downtown, about a 10-15 minute walk to conference hotel: <http://www.princegeorgehotel.com/>
5. The Haliburton House (boutique hotel): About a 15 walk to conference hotel: <http://www.thehalliburton.com/>
6. Atlantica Hotel (three stars): This is the most budget friendly hotel on the list, but is about a 30-45 minute walk from the conference hotel: <http://www.atlanticahotelhalifax.com/>

Note that Halifax does have a transit service, and you can find the bus schedules here: <http://www.halifax.ca/transit/Schedules/index.php>

If staying at the Atlantica Hotel, it would be the #6 bus (Quinpool) that you would take from your hotel to the waterfront terminal, and walk about three minutes to the conference hotel.

### *Airport travel*

There is a Halifax transit bus that travels between the airport and the waterfront terminal, #320 (Airport/Fall River).

Halifax Airport Shuttle: <http://maritimebus.com/halifax-airport-shuttle/>

A taxi from the airport to your hotel will cost approximately \$70 (Canadian).
